eciService

OAKHILL APARTMENTS

eciService performed routine maintenance and repairs to this 59-unit apartment building that was rented to Messiah College students last year. Each unit had two bedrooms and two bathrooms, meaning eciService worked on a total of 118 bedrooms, 118, bathrooms, 59 kitchens, 59 laundry rooms, and 59 living/dining rooms within 24 days.

eciService inspected each apartment, checking every bathroom, door, window, cabinet door, and drawer to ensure they were functioning. Additionally, eciService checked and cleaned each unit's garbage disposal and washer/dryer filters.

Billy Sheaffer, Jere Shugart, and Matt Yohn worked on the Oakwood Hills project. True Color Painting assisted with the project, painting all units and repairing drywall when needed.

eciConstruction

MIDDLESEX ELEMENTARY SCHOOL

Recently, eciConstruction has begun renovations on Middlesex Elementary School.

The renovation process will start with selective demolition throughout the school. Renovations to the school include painting all rooms, replacing ceilings, adding new marker/tack boards, renovating restrooms, selective floor replacement, improving ADA accessibility, improving the exterior sidewalk, and cleaning the exterior of the building along with masonry restorations.

Brian Imler is the Project Manager, and Patrick Gillis is the Superintendent for the project.
